

5 Election of the Chairman of the Steering Committee for the coming year

Based on the Operational Processes and Procedures Document (<https://academy.itu.int/news/item/1152/>), the Chairman of the Steering Committee is elected for a term of one year.

Secretariat has undertaken c

It was suggested to consider establishing a network for young people (as a new focus group), using the capacities of CoEs globally.

### 13 Assistance in promoting the activities of the Centres of Excellence

The meeting discussed the importance of involving stakeholders and promoting the ITU Academy-

- 
1. Review and confirmation of the membership of the Steering Committee
  2. Election of the Chair of the Steering Committee for the coming year
  3. Report of the Outgoing Chair of the Steering Committee
  - 4.
