

# New trends in online training

BRIDGING THE  
INNOVATION DIVIDE...

## A personal experience

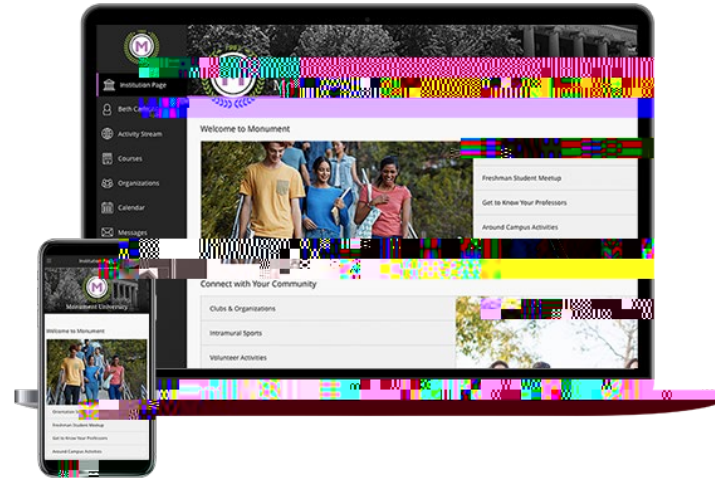

**Mohamed Ba**  
Senior Coordinator, Digital  
Innovation ecosystem, BDT,  
ITU

A portrait of Alvin Toffler, an elderly man with glasses, resting his chin on his hand. The image is overlaid with a semi-transparent dark grey box containing a quote. The background of the slide features a dark, textured surface with several horizontal, multi-colored bars in shades of blue, green, and purple.

**“The illiterate of the 21st century will not be those who cannot read and write, but those who cannot learn, unlearn, and relearn”**

*Alvin Toffler*

# The world has been changing

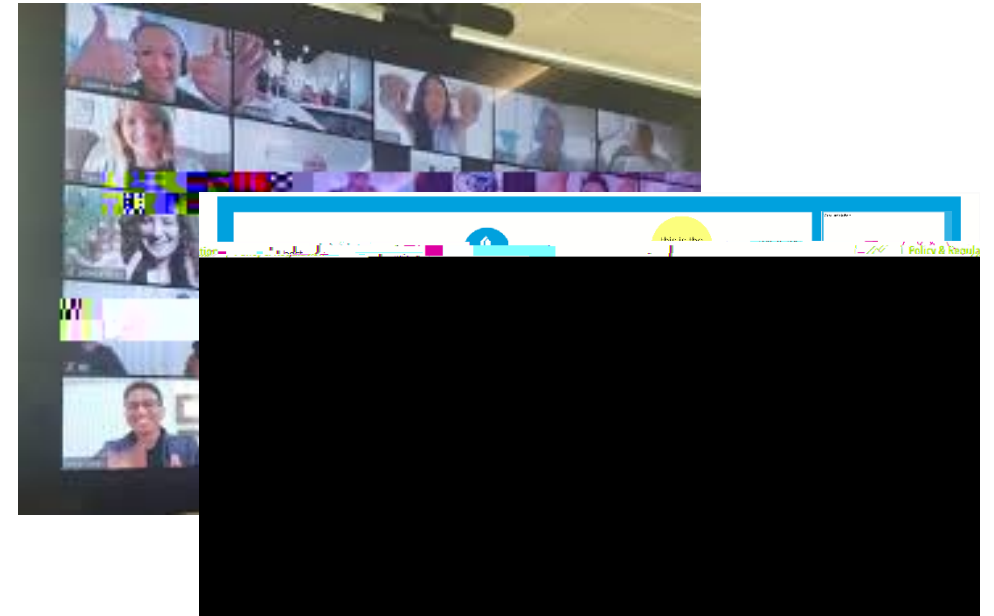

**edX**  
education for everyone

# This is accelerating with Covid-19

Physical course

Virtual course with Zoom and Mural

# These trends are changing online learning

Micro learning

Science of  
teaching and  
learning

Immersive  
content (AR/VR)  
and online  
science labs

Video based  
learning

Technology  
powered  
learning support  
(AI, chatbot)

Personalized  
learning – Holy  
grail

Creative thinking  
vs. problem  
solving

Learner generated content and  
communities

# The science of learning meets technology

Cre  
pro

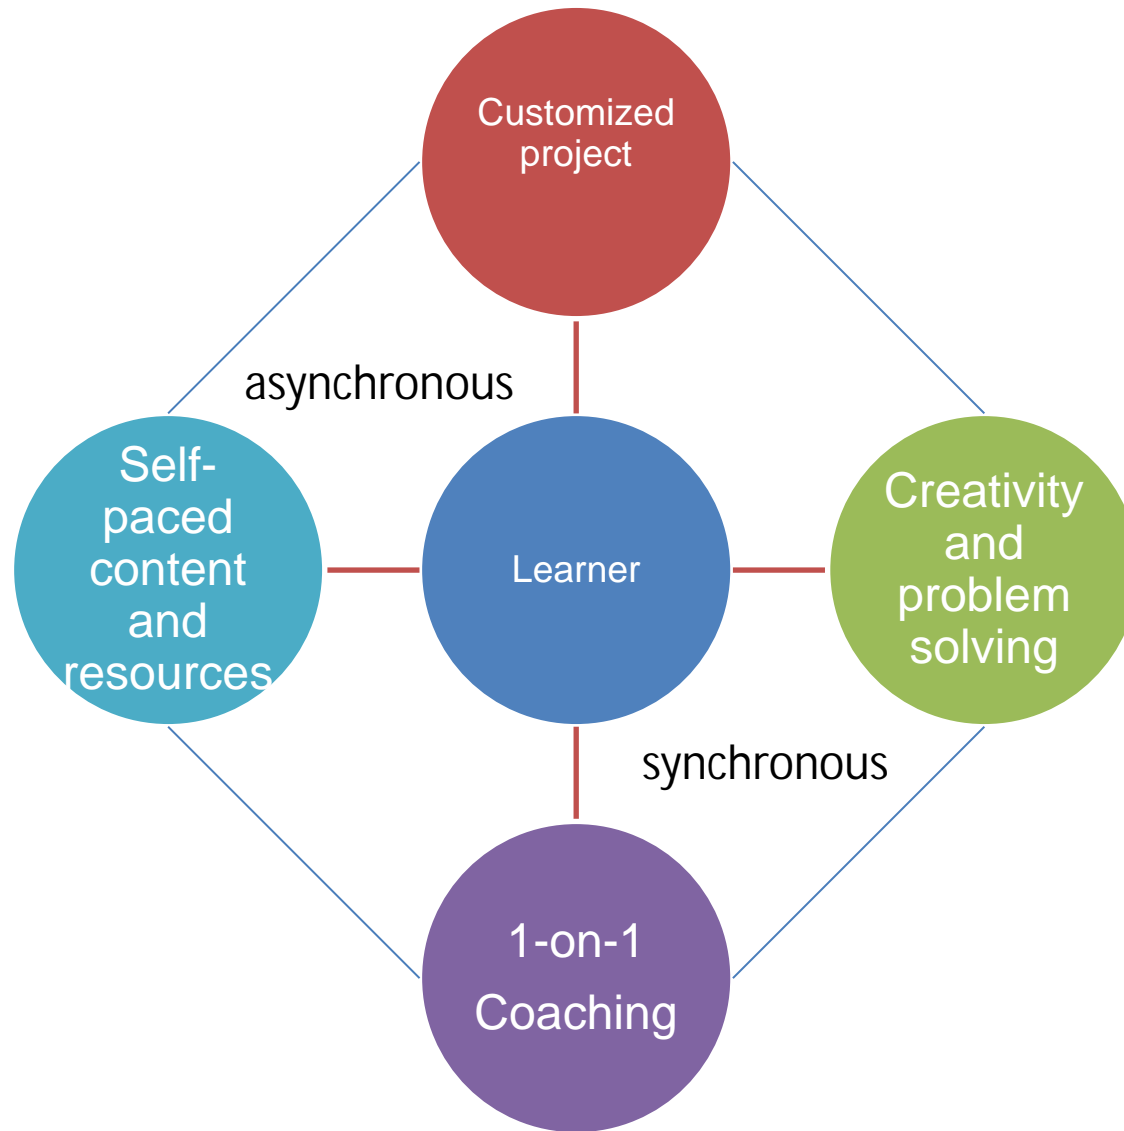

Coachi

Self-paced  
content

# Reinforce all links – learner/content/teacher

Ecosystem 102- an ITU academy example

- Forum
- Knowledge checks
- Quizzes
- Homework
- Exam
- Capstone project
- Community

# Pick tools that provide a good learning experience

Consideration	Why	What
Real Time Communication	See everyone's smile and hear everyone's voice when you meet.	Zoom, skype
Asynchronous communication	Create a community before you meet and stay connected between sessions.	ITU academy Moodle platform forums
Share Content	Establish the location where videos, PDFs, and other necessary files are stored.	ITU academy, google drive, Youtube, MOOCs partners
Stay organized	Track resources, events, and assignments to keep the team aligned.	Trello , ITU academy Moodle platform
Think Visually	Collaborate, brainstorm, share artifacts and interact like you're in the same room.	Mural, Miro
Engage right audience	To have meaningful outcome	Social media push, website, ITU academy push, gamification
Network and connect	To create a global communities of champion	Global blended event- virtual and physical, etc.
Online content creation	To create interactive online content that stimulate the learner	Articulate storyline 360

# Inject creativity – not problem solving alone

# Think Platform and architecture

# Take 6 Steps To Boost Your Capacity Building Online

**Think Brand  
and Glocal**

Most of world knowledge is available free, brand and services makes the difference

**Think  
Platform**

Platforms provide an architecture that ensures all your products and services work together, and your value chain is coordinated
