

Digital Transformation Centres Initiative Virtual Global Meeting

23 March 2021

FINAL REPORT

Agenda item 4: Update on DTC Initiative to date

This session was dedicated to an update of the DTC Initiative so far, including an overview of training activities carried out in 2020, partnership engagement in general, general

Moreover, it was stressed that

Summary and closing

Final remarks were delivered by Ms Susan Teltscher, Head, Capacity and Digital Skills Development, ITU. In her remarks, Ms Teltscher thanked all the DTCs and partners for their active participation in the virtual global meeting and highlighted the importance of receiving feedback in order to successfully implement the Initiative. Moreover, it was emphasized that the virtual meeting was extremely useful for the participants, and another one will be organized later this year. The focus for this year is to move the Initiative from the pilot phase to phase 2, scale and open it to other DTCs. ITU and the partners stay committed to making the Initiative successful.
